

Ketubah De'irketa

If the ketubah is lost or destroyed, a new ketubah, called the ketubah de'irketa, must be prepared as soon as possible.

Texts for the ketubah de'irketa can be found on this website.

The sum of money should be the same as in the original ketubah.

There are those who feel that the ketubah de'irketa should be signed by three witnesses (a beit din). Common custom is to have two witnesses sign.

If the original ketubah is found after the writing of the ketubah de'irketa the original ketubah should be ripped up or rendered invalid in some other way.
