

Pesach: A Prayer

- Nachum Berlat.

May we remove all spiritual leaven in cleaning for Pesachm, not only the physical leaven.

Dear Family and Friends:

Passover is approaching with great haste. Our homes are the beneficiaries of a good spring cleaning as we search out and remove every crust of chometz (leaven). As we remove the physical leaven it is our prayer that humanity remove all traces of spiritual leaven, crumbs of hatred and discontent. May this Passover bring each of you G-d's blessings of true freedom, spiritual and human dignity as we encounter each other in a world that sorely requires blessings of human love, kindness, respect, freedom from want and true hopes for a better tommorrow.

Chag Kasher Ve'Sameach; a happy and joyous Passover,

Nachum,Rochel and Hillel Berlat
