

WOMEN who know their place.....

- Moral of the story is (no matter what language you speak or where you go): Behind every man, there is always a smart woman!! i.e., our Imahot, who are recalled on Rosh Hashanah

WOMEN who know their place.....

Television reporter Barbara Walters, of 20/20, did a story on gender roles in Kabul, Afghanistan, several years ago before the Afghan conflict.

She noted that women customarily walked five paces behind their husbands.

She recently returned to Kabul and observed that women still walk behind their husbands. Despite the overthrow of the oppressive Taliban regime, the women now seem to, are happy to, maintain the old custom.

Mrs. Walters approached one of the Afghan women and asked, "Why do you now seem happy with an old custom that you once tried to desperately to change??"

The woman looked at Mrs. Walters straight in the eye, and without hesitation said, "Land mines."
